Building Foundations for Life!

www.neevschools.com

At Neev, we nurture what is intrinsic in a child, while connecting to the beliefs and values of the society we exist in. Research shows that children learn through imagination and play. We have adopted a pedagogical approach to work towards the image of a child who is an effective communicator, an involved learner, contributes to and is connected with the world around and has a strong sense of identity.

Established in 2005, Neev schools have been recognised to be an environment of best practices for students, teachers and parents. **Our five fully owned preschool branches for pre-toddlers (1.6 years) to K2 (6 years) are located at:** Indiranagar, Whitefield, Koramangala, Sadashivnagar and Queens Road.

We invite educators who have a demonstrated past to show their commitment to early childhood education and

care. You must want to learn continuously, lead confidently and work enthusiastically towards individual excellence while collaborating for organisation's growth.
